

## TONEZZA 2 spot i futur + d i futur 61581

### PRODUCTSHEET

### Informacione teknike

|                                   |                                               |
|-----------------------------------|-----------------------------------------------|
| Numri i artikullit                | 61581                                         |
| Lloji                             | spot i futur + d i futur                      |
| Max.Watt incl.transformer/driver  | 6, 96W                                        |
| Lloji i ndriqesit (1)             | LED                                           |
| Lumen with Cover                  | 593                                           |
| Kelvin Complete                   | 3000K                                         |
| Materiali i xhamit/Konturës       | xhami                                         |
| Funksioni                         | LED i zëvendësueshëm<br>kërkohe transformator |
| Këndi i rrezes                    | 25                                            |
| Tensioni i punës                  | 200mA                                         |
| Diametri (në mm/in)               | 90                                            |
| Lartësia (në mm/in)               | 120                                           |
| Thellësia e instalimit (në mm/in) | 130                                           |
| Shkalla e sigurisë                | IP20                                          |
| Klasa e sigurisë                  | 2                                             |
| Pesha                             | 0,25                                          |
| Toleranca e ngjyrave (LED, SDCM)  | 3                                             |
| Materiali                         | alumini i derdhur                             |
| Ngjyra                            | e bardhë                                      |
| colour code                       | RAL9003                                       |
| lifetime (Lx)                     | L70                                           |
| Nominal Lifetime (in h)           | 50000                                         |
| Serial name                       | TONEZZA 2                                     |
