### Opće informacije

|                 |               |
|-----------------|---------------|
| Materijal broj  | 11648         |
| Tip             | Žarulje       |
| Boja svjetla    | WARM WHITE    |
| Tip žarulje (1) | E14-LED-P45   |
| kW / 1000h      | 6             |
| EAN kod         | 9002759116484 |

### Dimenzije

|                             |    |
|-----------------------------|----|
| Promjer proizvoda (u mm/in) | 45 |
| Dužina proizvoda (u mm/in)  | 81 |

### Podaci o rasvjeti

|                              |    |
|------------------------------|----|
| Tolerancija boje (LED, SDCM) | <6 |
|------------------------------|----|

## Tehnički podaci

|                                       |        |
|---------------------------------------|--------|
| Faktor snage lampe                    | 0,7    |
| Nominalna struja (u mA)               | 33     |
| Nominalni životni vijek (u h)         | 25.000 |
| Nazivna snaga lampe (preciznost 0,1W) | 5,5    |
| Nazivni životni vijek (u h)           | 25.000 |
| Directional Light source              | No     |
| Mains light source                    | No     |
| Connected light source                | No     |
| Colour-tunable light source           | No     |
| High luminance light source           | No     |
| Dimmable (bulb, board, stripe,...)    | No     |

## Podaci o prekidaču

|                             |          |
|-----------------------------|----------|
| Vrijeme početka             | <0,5 sec |
| Vrijeme zagrijavanja do 60% | < 1 sec  |
| Prebacivanje ciklusa        | 15000    |

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
