

# 11782 LM\_LED\_E14 - V1

COMMISSION DELEGATED REGULATION (EU) 2019/2015  
with regard to energy labelling of light sources

EGLO Leuchten GmbH, Heiligkreuz 22, 6136 Pill, AT

## Algemene informatie

|                     |               |
|---------------------|---------------|
| Materiaalnummer     | 11782         |
| Type                | Lichtbron     |
| Lichtkleur compleet | WARM WHITE    |
| Type lichtbron (1)  | E14-LED-G60   |
| kW/1000h            | 4             |
| EAN/UPC-code        | 9002759117825 |

## Afmetingen

|                            |    |
|----------------------------|----|
| Artikeldiameter (in mm/in) | 60 |
| Artikellengte (in mm/in)   | 94 |

## Licht Informatie

|                                  |    |
|----------------------------------|----|
| Lichtkleurtolerantie (LED, SDCM) | <6 |
|----------------------------------|----|

## Technische informatie

|                                       |        |
|---------------------------------------|--------|
| Vermogensfactor van de lamp           | 0,4    |
| Stroomsterkte (in mA)                 | 38     |
| Nominale levensduur (in h)            | 25.000 |
| Toegekend vermogen (0,1 W precisie)   | 4      |
| Toegekende levensduur (in h)          | 25.000 |
| Lichtbron met gebundeld licht         | No     |
| Lichtbron direct op netspanning       | No     |
| Netwerk lichtbron                     | No     |
| In kleur verstelbare lichtbron        | No     |
| Lichtbron met hoge luminantie         | No     |
| Dimbaar (lichtbron, driver, strip...) | No     |

## Schakelaar informatie

|                     |          |
|---------------------|----------|
| Opstarttijd         | <0,5 sec |
| Starttijd 60%       | < 1 sec  |
| Aantal schakelcycli | 15000    |

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
