

## General Information

|                               |              |
|-------------------------------|--------------|
| Material number               | 900618       |
| Type                          | mirror light |
| Product segment               | Indoor       |
| Theme                         | Bath         |
| Energy efficiency class (EEI) | F            |

## Dimensions

|                             |      |
|-----------------------------|------|
| Article Height (in mm/in)   | 30   |
| Article Length (in mm/in)   | 420  |
| Net Weight (in kg)          | 0.62 |
| Article Overhang (in mm/in) | 60   |

## Material & Colour

|                      |                  |
|----------------------|------------------|
| Enclosure Material   | aluminium, steel |
| Enclosure Colour     | chrome           |
| Glass/Shade Material | plastic          |
| Glass/Shade Colour   | satín finish     |

## Functionality

|             |                |
|-------------|----------------|
| Switch Type | without switch |
| Battery     | No             |

## Technical Information

|                   |                  |
|-------------------|------------------|
| Protection Degree | IP44             |
| Protection Class  | 2                |
| Mains Voltage     | 220-240V,50/60Hz |
| Dimmable          | No               |
| max. Wattage (1)  | 2X5,5W           |

## Illuminant 1

|                                        |                                               |
|----------------------------------------|-----------------------------------------------|
| Socket Type (1)                        | LED                                           |
| Illuminant Type (1)                    | LED                                           |
| Illuminant incl. (1)                   | Inclusive                                     |
| Lumen Complete                         | 1200                                          |
| Kelvin Complete                        | 3000K                                         |
| Light colour Complete                  | WARM WHITE                                    |
| Energy efficiency class (EEI)          | F                                             |
| Dimmable                               | No                                            |
| Info changeability□light source/driver | LED + driver can be exchanged by a specialist |
