## General Information

|                       |               |
|-----------------------|---------------|
| Gaminio kodas         | 11535         |
| Type                  | lemputė       |
| Light colour Complete | WARM WHITE    |
| Šviestuvo tipas (1)   | GU10-LED      |
| kW/1000 val.          | 5             |
| EAN/UPC               | 9002759115357 |

## Dimensions

|                          |    |
|--------------------------|----|
| Gaminio skersmuo (mm/in) | 50 |
| Gaminio ilgis (mm/in)    | 56 |

## Light Information

|                                |    |
|--------------------------------|----|
| Spalvų tolerancija (LED, SDCM) | <6 |
|--------------------------------|----|

### Technical Information

|                                            |        |
|--------------------------------------------|--------|
| Lempos galios koeficientas                 | 0,5    |
| Nominali srovė (mA)                        | 45     |
| Nominalus tarnavimo laikas (val.)          | 25 000 |
| Nominali šviestuvo galia (0,1 W tikslumas) | 5      |
| Nominalus tarnavimo laikas (val.)          | 25 000 |
| Directional Light source                   | No     |
| Mains light source                         | No     |
| Connected light source                     | No     |
| Colour-tunable light source                | No     |
| High luminance light source                | No     |
| Dimmable (bulb, board, stripe,...)         | No     |

### Switch information

|                             |         |
|-----------------------------|---------|
| Išsižiebimo laikas          | 0,5 sec |
| Išilimo laikas iki 60 proc. | 1 sec   |
| Perjungimo ciklai           | 15000   |

|                                                                                    |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |
